**Subject:** RE: Innovations In Chemical Risk Assessment Weekly Meeting

Attached are two documents for your review:

1. <!--[if !supportLists]--><!--[endif]-->The general attributes table (with an updated title to reflect a portfolio approach to risk assessment)
2. <!--[if !supportLists]--><!--[endif]-->An updated (and very concise) outline for the paper (also reflecting the title change)

Action items before our next meeting (DUE BY COB TUESDAY OCT. 4) are:

1. <!--[if !supportLists]--><!--[endif]-->Review the table and flag anything that doesn't make sense or that raises a concern
2. <!--[if !supportLists]--><!--[endif]-->Send the 5 key messages that you think the paper should deliver (what are the 5 main take away messages you want someone to have after reading the paper)

Thanks,

Kacey Deener, MPH
